About The Offering

It is indeed fortunate that these three herds are offering this well-bred group of profitable breeding cattle. The Oakdale herd has long been noted for the uniform excellence of Shorthorns it has produced. The list of top selling and champion animals bred on this farm would require more space than we have available. Suffice to say that a majority of the animals from their consignment bear a close relationship to these champions.

The herds of T. A. Reynolds and John A. Wieland have been assembled more recently but the painstaking care that has gone into the selection of animals for the foundation of these herds is responsible for two top-notch units that are already producing choice cattle.

You will best benefit your own position in the Shorthorn business by making plans now to come to this sale. Decide to take advantage of this opportunity and come prepared to buy liberally.

— Hal Longley, Sale Manager

Divide Sensation — Twice International Grand Champion and sire of many outstanding winners.

Divide Sensation is now dead and his last calves are being offered in this sale. His record is too well known to make comment in this catalog necessary. He is one of the few bulls in history to win the International grand championship on two occasions. He has sired the best calves that ever were produced in the Oakdale Herd.

Sni-a-Bar Royal Baron 1929067 was used liberally in the Tarco herd, owned by T. A. Reynolds, after he had gone through an entire show season without defeat as a two year old. Several very choice calves sired by him are to be sold in this auction.

Leveldale Envoy — We feel, and many good judges agree with us, that this bull is one of the best ever produced in the Mathers herd. He is a son of the many times champion Dreadnaught Lustrous, absolutely level in his lines and with a head that denotes great prepotency. His first calves will arrive soon. A number of the choice heifers in our consignment to this sale are carrying his service.

Sni-a-Bar Golden Ensign — We bought this top Sni-a-Bar bred bull because his pedigree was packed full of Shorthorn show ring history. He was the first son of Imp. Cruggleton Aspiration and many good judges agree with us that he is one of the best. He is out of a dam by the International grand champion Sni-a-Bar Ensign and the next two bulls in his pedigree were both International prize winners. His dam was shown successfully and was many times a champion. This sale will include a number of choice females carrying his service.

Oakdale Headlight is fully guaranteed and is a wonderful sire.

Clarksdale's Ringleader — Here is a real chunk of a bull, short legged, blocky and deep bodied: His mother was a grand show heifer and one of the best ever produced in the Walter Miller herd. He represents a splendid combination of the three famous grand champion bulls Fascinator, Divide Sensation and Oakdale Stanmore.

8195 A. H. Kinney & Son, Monmouth, Ill.

These four calves by Divide Sensation were included in the 1941 Oakdale offering. They are backed by rich, time-tested pedigrees that will make them as well as their progeny, standouts in any Shorthorn company.

A promising trio of herd bull prospects in the herd at Oakdale Farms. The two bulls on the left are to be sold in this auction. They are: Sensation's Headlight, a grandson of both Divide Sensation and Brae Lodge Headlight, and Aspiration's Ensign, a solid red son of Imp. Cruggleton Aspiration.

Animals like these pictured on these pages are adding to Shorthorn prestige everywhere.

Walton Miller, son of J. W. Miller, exhibits his 1942 grand champion steer over all breeds at the Sedalia, Missouri State Fair.

A head study of Divide Sensation.

Headed by Royal Supreme, this get of sire by Oakdales Sensation accurately illustrates the quality found in calves he sires. The Shorthorn breed will prosper as long as calves of this stamp are available.

These two beautiful heifers are typical of the daughters of the twice International grand champion Divide Sensation. Many like them are listed in this sale from the strong Oakdale Herd where Divide Sensation made such an enviable breeding record.

Such uniformity of type and conformation can only be obtained by generations of planned improvement.
